

Double Bar Graph: Sources of Electricity

Name: _____

Create a double bar graph to compare the sources of electricity for the USA vs. the world.

I will do an EXCELLENT job when I:

- Create a double bar graph using the data accurately.
- Use a ruler to draw the x-axis and y-axis
- Give the graph a title.
- Label the x-axis and y-axis.
- Equally space the values on the y-axis
- Write a **conclusion**.

Electricity Production Sources in United States	%
